## Mike Express 3D printed *Amtrak Streamliner Dome* train carriages

These carriages are in HO Scale and run perfectly! We use them on Kato Unitrack electrified railway tracks pulled by a Walthers HO Scale Santa Fe locomotive. Quality 3D print, and we use high-quality train wheels and couplers. Ready-made for use and enjoyment by all train enthusiasts!!!

Just \$35 per  
railway carriage!

Many colours  
available, and  
we can print to  
order!
