Board Shorts

*In remembrance of our heroes this Memorial Day.
Hoping you had a meaningful Memorial Day weekend.*

Emergency Preparedness: Hawaii's hurricane season typically runs from late June through November each year. In past years as a courtesy, the Resident Manager distributed to all residents the "Handbook for Emergency Preparedness" booklet published by Hawaiian Electric to help you prepare for such emergencies. We have a few copies in the Resident Managers Office. If you would like a copy, please email or stop by to pick up a copy or scan the QR Code below for a digital copy.

Urgent Dog Waste Help: Attention all dog owners! We have about 53 dogs residing on Koko Isle. We need each and every dog owner to help police dog waste presence, a major nuisance and health hazard!

We need your help with these issues:

- We receive reports of dog waste NOT PICKED UP. Please pick up your dog's waste and dispose of it properly into waste receptacles or your own gray trash bin. Please DO NOT use neighbor's trash bins for your dog's waste. Report anyone not picking up their dog's waste to the Resident Manager. There is a \$100 fine for not picking up dog's waste.
- **We continue to receive reports of residents letting their dogs out of their units unleashed to do their business. Please note, pets are not allowed to roam freely unleashed.**
- When disposing of your dog's waste, please tie the bags closed before disposing into trash bins to help reduce fly infestation.
- **Reminder:** To help reduce fly infestation, the Center Park Dog Waste Trash Bin was removed. Dog owners can dispose of dog waste in the dumpster area by the Club House or in your own gray trash bin. See photo ----->

A low easy access "Dog Waste" Portal is there to assist.

We are reaching out to all dog owners to help self-police this dog waste problem to protect the health of our neighborhood and to help reduce the fly infestation challenges.

We appreciate your help in identifying the dog owner who keeps throwing their dog poop in this Center Park box cover where the poop trash can was despite posted signs and notices like this. This person totally disregards caring for the community.

Approved Koko Isle Board Meeting Minutes:

Koko Isle Board Minutes are now available on the Koko Isle Website "Frontsteps" under the Internal Folder and as always is available to review in the Resident Manager's Office.
