NEIGHBORHOOD NOTES AND SAFETY AWARENESS:

Fire Safety Reminder – Certification of Inspection: We continue to make progress with our owner fire safety inspections. We now have 92 of 124 certificates and would like to encourage the last 32 units to verify they have met the two fire safety requirements IAW the House Rules. This is for your safety as well as your neighbors. You should have a fire extinguisher in your kitchen and smoke alarms within your unit. If you would like help where they need to be placed, we can help. Call us at 808-395-3355 or email kokoisle@kokoisleaao.com.
