Board Shorts

A Message to Our Veterans from Our Board of Directors: We would like to participate in a nationwide initiative called "Greenlight A Vet." The Koko Isle Board is asking homeowners to install a green light bulb over your privacy area porch on the front of your unit and for units on the waterside, installing a green light on the waterside also and turning the lights on during Veterans Day to recognize veterans who have served or are currently serving. We would like to keep these on throughout the month of November. We will light up our entrance park and clubhouse with green lights to show our appreciation. Koko Isle Thanks all our Service Men and Women for their service and sacrifice!
