4. Old Business

1. Court resurfacing update

1. Supplies have arrived being stored in the garage. We are checking into using the VCC courts when the courts are being done. Harlan is in charge of the project and has selected a crew of 5 others. There is not a set date yet for starting the painting. The gates will be locked. The road by the courts will be torn up in the next few weeks which would delay the process. Roger has crack filler that he will donate to the club, there are a few cracks that should be filled.

2. Four square Pickleball Net

1. The net is in the storage bin. Mary will be giving direction on how to play the game on Friday.

3. New courts update/donations

1. Roger reported Fall Lake Township wants to help out. They are willing to give the club \$5000 and the land at the town hall. Roger is working with Kerry Davis they will be going to the Lake County board meeting next week to give a proposal. Roger will be measuring out the area at the town hall. Kerry had bought tape and two portable nets that were to be used at the town hall parking lot. The nets would be left at that location in the garage. Roger was going to help with laying out the two courts and power wash the parking lot. Mary said that someone had inquired about donations but they said since we are not a 501c3 we wont probably get donations. The club is a 501 c7. Mary will put a donation box on our courts.

4. Beginner Lessons

1. Denis Miller is giving 4 people lessons currently which ends next week.

5. Skill development opportunities

1. Pro Chris Heck will be coming the end of July 24-29 to conduct lessons/clinic.

5. New Business

a) "Kick Off the Summer Season" Sunday (June 12) Round Robin followed by a potluck "Happy Hour"

1. Mary thought it would be fun to get 32 people together, split into 2 groups of 16 and play 8 min games. This is a round robin format so people have to commit to the entire time. The idea is to get a chance to play with a variety of people. Mary will put out an email, the time will be 2pm to 4:30pm then go to the park for the potluck.

6. Other business
 - a) Players need to evaluate what level they should be playing during level play. If you are new to the club you should ask someone on the board what level to play. There is a list in the cabinet as to everyone's assigned level.
 - b) We should let club members know that there are going to be 2 board positions up in August.
 - c) The club website has been setup for auto-renewal using the checking account for another year with GoDaddy.
 - d) The club pot luck/annual meeting will be August 31, 1230pm. Annette will reserve the pavilion.
 - e) Jeanne Bourquin will be doing a club shirt order, she has sent out an email to the club members.

7. Next meeting date July 13, 1230pm at Whiteside park.

8. Motion to adjourn by Roger, second by Annette meeting adjourned 205@pm
