Student Name: _____ **Grade:** _____

- Parents are to ensure that their child arrives to school on time. The first bell rings at 7:50am, the tardy bell rings at 8:00 am. Students must be in their seats by the start of class at 8:00 a.m. as published in the Student Handbook. Any student arriving after this time will be issued a tardy slip. Students accumulating ten (10) unexcused tardies per school year will receive a note for excessive tardiness. Continued tardiness and absences may require a meeting with parents to draft an action plan to remedy this issue.
- Parents are to contact the school office if their son/daughter (the student) is going to be absent. On the day the student returns to school, he/she must bring a doctor's note or note from the parent(s) explaining the reason for the absence, otherwise, the absence will be considered unexcused.
- The school believes that parents play an integral role in their child's educational and social life. For this reason, the school asks that a parent/guardian personally transport their child to and from school. Carpooling is permitted, as it too, positively contributes to the child's socio-educational life.
- Parents are to ensure that their child is wearing the proper uniform attire as stated in the Student Handbook. Students who arrive at school without the proper uniform attire will be subject to disciplinary action as stated in the Student Handbook. Hoodies are not permitted at any time.
- A student's parent/guardian must agree to completing a minimum of ten (10) hours per school year. All volunteer hours must be completed prior to the end of the school year. Unfulfilled volunteer hours will be charged at \$100 per year or the donation of supplies agreed upon with administration.
- Parents agree to read and use the information sent home from the school, so that they are informed of activities and academic opportunities provided by the school.
- Parents and students are required to read the Student Handbook and the Student Code of Conduct. The Handbook and the Code of Conduct detail the responsibilities that staff members, students, and parents are expected to fulfill.

EXPULSION POLICY ACKNOWLEDGEMENT

It may be necessary, in particular instances, for the Administration to discontinue a child's attendance. Although the utmost effort will be made to rectify a difficult situation before a decision is made, such decision is based on the best interest of that child and the overall operation of the school.

The following are some examples for termination/expulsion. However, other situations may also lead to expulsion at the discretion of administration.

- Non-payment of tuition and fees (Parent is responsible for any tuition and fees not covered by the Scholarship)
- Abuse of children, staff or property (verbal or physical)
- The school's inability to meet the needs of the child
- Violation of school policies by students or parents
- Disruptive behavior by students or parents
- Dangerous behavior by students or parents
- Fighting or physical altercations

Due to the reasons noted above, but not limited to these, we may terminate your child's enrollment at any time during the school year. If termination is deemed necessary, you will be notified and it may take effect immediately, based on the severity of the situation and the decision of the administration.

By signing this document, I acknowledge that I understand the expulsion policy and have read the student handbook and code of conduct. I understand that my registration fees and current tuition payments are non-refundable.
