Pottery Classes

You've always wanted to take pottery classes...so do it!

Ages 8 to adult can explore clay in a spacious studio environment creating clay pieces to be proud of.

Our studio is equipped with many potter's wheels, a slab roller, extruder for hand building projects and three large kilns.

Students will be exposed to wheel throwing techniques used to form bowls, mugs and plates on a potter's wheel. Advanced students create lidded pots, vases, pitchers, birdbaths and anything they can imagine. Everyone will learn craftsmanship and glazing techniques needed to complete their projects successfully.

Instructor:

Paul Romanick is a certified art teacher K-12 and master potter. Specializing and teaching pottery in his studio for over 30 years. Working with many age and skill levels over the years he has developed a wide variety of lessons for students to explore and create. He will not only explain but engage, demonstrate with a hand's on coaching approach. Happy to help students engineer and create pieces of their own design.

Instructor:

Tonya Romanick has been instructing and teaching in our studio for 25 years. She specializes in and is eager to work with students who express an interest in sculpting, hand building, glaze making and advanced techniques in graphics and clay design.

Classes of 6 to 8 students are held every Wednesday from 1:30 to 7:30 p.m. You can take your 2.5 hour class any time within this window. Classes run throughout the year with the exception of the month of December. We have many students who continue classes throughout the year. They love creating, practicing their skills and techniques. When you join our Wed. classes, you will have a lot of support and instruction to create your pieces. Our goal is for you to develop good skills and help you achieve & exceed your expectations thru the results of your work.

To join our Wed. classes, you buy packages of 6/ 2.5 hr lessons, the cost is $495.00. This includes a 25 lb. bag of clay with every 6 lessons, use of our glazes, tools and equipment to finish your work. All of our materials are food, microwave and dishwasher safe.

Everyone will have fun creating many pieces and gain a greater appreciation of hand made pottery! You will also learn a lot about technique, design and craftsmanship . Our one time, two hour private classes are very popular as well. You will have a great learning experience creating 2 pieces (a mug and a bowl) on a potter's wheel, learn craftsmanship, design and technique. A great way to celebrate an anniversary, birthday, or a fun date with a friend. You get to keep what you create!

Two students cost $235.00, three students cost $340.00, four students cost $440.00, five students cost $500.00, six students cost $580.00 and seven students cost $660.00.

Give us a call for more info and directions to our studio, we'll be glad to show you around!
