Nidia Gamba, retired Supervisory Special Agent

Retired SSA Nidia Gamba, who had a stellar career, will be my very first guest. Nidia worked a myriad of crimes from narcotics to terrorism. She was part of the team of 25 agents selected to come to Washington, D.C. to investigate the 9/11 attacks. Nidia worked overseas, lead a rapid response squad, rose through the ranks, and was an FBI profiler at the end of her career. And... she did so in heels!
