Mission Statement

Sofiya's Village THP is dedicated to supporting transitional-age youth as they move toward independence by providing safe housing, individualized guidance, and life-skills development within a trauma-informed and supportive community. Our mission is to empower youth to build stability, self-sufficiency, and confidence while honoring their strengths, goals, and lived experiences.

Eligibility: Transitional-Age group (18–21) in out-of-home placements, enrolled in an independent living skills program.

Housing: Supervised apartments, shared housing, or host family placements.

Support: 24/7 case management, assistance with education, employment, and life skills.

Life Skills Training: Financial literacy, cooking, budgeting, and job readiness.

THPP helps prevent homelessness and ensures foster youth have the tools for a stable future.
