

November 2024

This month...

This month saw a great return from Half Term, with more children joining us here at Academix. We received amazing feedback from pupils, parents and schools about how much of an impact we are having.

A snow day meant that our Tuesday learners were able to enjoy some winter fun, in between their learning and SEMH sessions.

We have been able to build our pupils knowledge in preparation for GCSE's, whilst also building cooking skills, ready for independent life.

We enjoyed some Bonfire Night activities, learning about the tradition, as well as safety around fireworks. It was great to listen to what everyone got up to when celebrating.

We also spent some time discussing Remembrance Day, the meaning behind it and how important it is to never forget.

Coming up...

Next month we will be continuing to support our pupils with GCSE prep, as well as embedding maths and English skills.

We will be learning more about Christmas, and getting crafty with some exciting new creations to be made!

We close for Christmas on Friday 20th December.

Attendance

October attendance: 93.4%

Open Day

Come and visit us to discover what Academix can do for you.

Tuesday 17th December
10am - 2pm

Schools & parents welcome.

Education

Thank you

Here at Academix we are lucky enough to be close to our local fishing pond. Fishing is a new found passion for some of our pupils, and we have had some kind donations of equipment! This has meant that more of our children have been able to enjoy the tranquillity of fishing after completing all of their learning activities.

Thank you to Gavin and Pete!

Sponsorship

LD Environmental Solutions are proud sponsors of Academix Learning, enabling more children to access our support and services who may not have otherwise had the chance.

"Since starting Academix my confidence has grown, I love how the staff at Academix are friendly and kind. I haven't been to school since year 10 and I am now loving going to Academix. I wish I could stay longer; Charlotte has helped me with my anxiety towards going to college. Thank you for everything I will never forget what you have done for me.." - ES

Thank you to all at LD Environmental Solutions for supporting our vision and our learners.

What's been happening

Here are some photos of the exciting things we've been doing at Academix over the last month...

Quality Assured!

We have now been successfully Quality Assured by both Rotherham and Doncaster councils!

This means that we are approved to work with all schools within these boroughs, in line with their processes. Get in touch for more information.
