

## **NIMBUS QUALITY POLICY**

We at NIMBUS are dedicated to delivering exceptional quality medical disposables that meet or exceed the needs of our customers.

We strive for continuous improvement in all our processes, products and services to ensure the safety and wellbeing of patients and healthcare professionals.

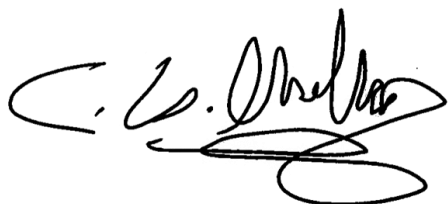

Our dedication to quality is ingrained in every aspect of our operations, from sourcing sustainable materials through to delivering finished products.

We are committed to compliance with applicable regulations and standards as well as fostering a culture of quality and excellence throughout our organisation.

Our commitment to quality is demonstrated through:

1. Adherence to rigorous quality standards and regulatory requirements to ensure the safety and efficacy of our products.
2. Continuous improvement of our processes, products and services through innovation, research and development.
3. Investment in state-of-the-art manufacturing technology and equipment to maintain the highest standards of quality and efficiency.
4. Empowerment of our employees through training, education and accountability to uphold quality standards at every stage of production.
5. Responsiveness to customer feedback and market trends to anticipate and address evolving needs and preferences.
6. Nurturing a culture of quality and excellence throughout our organisation, where every employee is committed to upholding our quality policy.

By consistently delivering high quality medical disposables, we strive to enhance patient outcomes, improve healthcare delivery and earn the trust and loyalty of our customers worldwide.

Christie Grattan (Chief Executive Officer)
