Product and Retail

If your loved one is at a facility that offers retail family members and residents may add retail to their service invoice whenever requested. Please ask your stylist about pricing.

Families of Residents

Families of residents are welcome to come and enjoy salon servicing in our salons! Pricing for family servicing will be the same as residents. We encourage families to come around the same time their loved one is also being serviced. Contact Cherelle for more information.

Billing and Payments

We operate as a cashless business. Clients must be approved before services can begin. Approval of servicing is reliant upon the return of this **Intake Form** and a **Credit Card Authorization Form**. **For continuous servicing we ask residents to have a card on file.** Payments for services are made at the end of each week and receipts for payments will be sent to the email address of the Responsible Party.

Contact Cherelle Mack for consultations, scheduling or billing questions:
