JULY 2022

VOLUME 34 ISSUE 7

Greetings,

When I look at the calendar we are approaching the 4th of July (the big holiday of summer) and time does not slow down. Summer is upon us and our schedules seem to get busier. I hope you are able to spend time with family and friends this summer and get some time away from your normal workload.

The council and call committee have been working hard in this time of Pastoral transition at Our Savior's. The survey has closed and the call committee will now finish and post their letter of call. This is the next step in our process. Thank you to all that took time to complete the survey and share your feelings.

While we all want this call process to go quickly and get a new Pastor installed and moved in, we need to patiently wait on God's timing and plan for us and our new Pastor. We will do our best to keep you informed of our progress and plans for short term and long term ministry.

Thank you to all who have taken on more responsibility to help and lead during this time of transition. Please consider how you can give of your time and talents for our church. We are in need of Youth Leaders and Education Committee members at this time. New ideas and additional committee members are always welcomed for all committees.

In Christ,
John Smith
Council President

**VBS
Thank You!**

Thank you to all the volunteers - teachers, group leaders, sandwich makers, and more and to the youth for their positive energy each night for making a very successful 2022 Adventure Island VBS program! Thank you to all the parents who made it a priority to share your children with us for the week!

VBS Coin Battle Winners

The big winner of the coin battle this year is the WAFER and Jude's Hospital! The youth wanted to focus on others' needs through these two organizations.

JULY MISSION EMPHASIS

~RRC School Supplies—Financial Aid~

This has been a well-supported mission to aid RRC in making sure all students have the supplies they need to be successful in their school work. We receive a list of needed supplies from the school and go shopping for them after we have received mission donations during the month of July. Please consider helping the children and families in our community.

You can pick up a blue envelope in the pew or use your own envelope and write "missions" on it to designate for mission giving. You may also give your donation online via our website or use the link below and select 'mission'.
