# **NINTH ANNUAL SCHOHARIE LILY FESTIVAL**

***Our theme this year is "America 250"***

**Saturday, July 11, 2026, 10 am to 3 pm  
at the Lily Park -- Fort Road -- Village of Schoharie**

## **Craft-Artisan-Vendor Application Form**

*Make checks payable to the Schoharie Promotional Association  
Mail application and payment to above address, attention: Lily Festival*

A total of **70 juried vendors** will be accepted this year on a first-come, first-served basis. There are 10 spaces on the covered bridge that are quickly claimed. **If you are interested in one of these ten spaces, please call or email prior to sending in your request to make sure of availability.** Vendor placement in the park will be by the Promotional Association with requests for specific locations honored whenever possible.

- 10' x 10' space -- \$30 (*Fee is waived for non-profit organizations, donations appreciated.*)
- 8' x 11' space on covered bridge -- \$40
- Vendor trucks -- \$60

Name

Business Name

Type of Craft or Sale

Email

Telephone

Cell Phone

Address

Please include any special requirements you have that would affect your placement, i.e. generator, length of setup, cart/trailer, etc. *Generators must be reasonably quiet.*

### **IMPORTANT INFORMATION**

- *The event will take place unless extreme weather calls for cancellation in which case application fees will be returned. Vendors must provide for their own protection against the weather.*
- *No set-up equipment (tables/chairs) will be provided. No water or electric is available on site.*
- *Cell phone service is spotty in the park for some service providers.*
- *All dogs must be leashed.*
- *Vendors are responsible for set-up, tear-down and clean-up and are expected to stay for the entire length of the event.*
- *Due to parking safety concerns, parking directional signage for attendees was instituted last year. Efforts will be made to direct attendees around the park and the bridge.*
- *Maps and information will be available at the festival.*
- *Vendors should use Fort Road for setup in the park or Rt. 443 for setup on the bridge. Attendants will be onsite to direct vendors to locations. Vendors will need to **UNLOAD and move vehicles** to parking areas so that other vendors can get into the park or near the bridge. **SETTING UP** can be done after this.*
- **Vendor confirmation will be emailed. Additional festival information will be emailed closer to the date.**

It is agreed that Schoharie Promotional Association and the Village of Schoharie WILL NOT be held responsible for damage of any vendor's setup, injury to vendor, or theft.
