

Water/Sewer

The Village is updating its water reading and billing software. This has caused a delay in the water/sewer invoicing. Please note your next couple of water/sewer invoicing may also be delayed. DPW is in the process of changing water meters and will contact you if your meter needs upgrading.

Community Sign

If you have information to share on the community sign (across from NBT Bank) submit your notice to the Village Office — villscho@midtel.net — before the first of each month so that the board is changed once for the month.

FUN FOR THE WHOLE FAMILY!

Food – crafters – vendors – local organizations' information tables – children's activities games – contests – prizes – entertainment – large chance raffle – dog show competition – enjoy the Lily Park in full bloom – stroll the lily path – photo opportunities – and lots more!

Sponsored by the Schoharie Promotional Association

With over 75 vendors this year, lots of children's activities, entertainment, a large chance raffle, and the return of some popular events, this year's festival will be bigger and better! A food court will be featured near the covered bridge so that shuttle vans from Schoharie County Transportation can ferry attendees to and from parking areas. Our food tent will feature local singers, Burke Herrick, Joey Zeh, and the Sunshine Singers. The Promotional Association is looking for volunteers to help with parking. If you can spare an hour, please call 518-231-3528.

A Look Back

THOMAS J. KILMER was born at Cobleskill, N. Y., Nov. 22, 1833. His early education was obtained at Whitesborough Academy, in Utica, N. Y. He graduated from the Eclectic Medical College of New York in 1854, and practiced his profession for the following eight years at Port Crane, Broome County, N. Y., whence he removed to the village of Schoharie, where he has for thirty-two years maintained a large and successful practice. He founded in this village, fifteen years ago, a sanitarium and dispensary, at which the doctor treats especially, diseases of women and children. The doctor is a member

of the Schoharie County Medical Society, and is a Master Mason. He was married in 1852 to Miss Elmira Palmatier, and has one daughter, Julia.

The doctor, besides his large personal practice, has for years compounded and sold from his dispensary a variety of special remedies, among which are a liver, kidney and bladder compound, cough cure, complete special croup cure, catarrh cure and cream pills. These remedies have a large sale, in this and other counties.
