President's Message

The Value of Friendship

As most of you know, KCRTA President-elect Mary Brockett passed away on January 16th. While some of you will remember Mary as a talented educator and others will remember her for her tireless work on behalf of educators, I will always remember Mary as one of my dearest friends. Her untimely death has left a void in my life and her absence has highlighted the importance of friendship.

As we age, the value of strong friendships increases. This statement is supported by a number of medical studies. A study published in the Journal of Neurology, Neurosurgery and Psychology concludes that aging individuals who experience loneliness are more prone to cognitive decline and 60% more likely to develop dementia. According to the World Health Organization, elderly people who live alone are more susceptible to depression and other chronic conditions. The National Institutes of Health reports that loneliness and isolation increase the occurrence of heart disease and stroke. If these statements aren't enough to cause you to pick up the phone and call a friend, a 2015 study found that a lack of social connections is worse for your health than smoking 15 cigarettes a day.

So how do you avoid isolation and loneliness? The answer is simple. Join me at the KCRTA luncheon on March 28th, at the Foundry. The luncheon begins at 11:15.

The KCRTA Membership Committee hopes that you will take just a few moments and write down one of your special moments that you experienced during your teaching career. It might be an interaction with a student, staff or an award that you are proud of receiving, or a funny, sentimental, happy moment, a leadership moment, a friendship moment, or why you became a teacher, why it is important to be a KCRTA member, etc., etc. KCRTA members can submit as many “moments” as they would like—the more the merrier!! The Membership Committee is going to take the members’ moments and publish them in our newsletter and share a few at our KCRTA luncheons. We are so excited about this project and want as many KCRTA members to participate as possible. Thank you!

Subject: One Healthy Step to Take Today

Maintaining a Healthy weight as we age is crucial to maintaining our independence. I will mention theses few ideas in our newsletters over the next few months. Start your day with protein. Studies show that "protein timing" -eating 25 to 30 grams of protein in the morning and the same amount at lunch and dinner, helps people at midlife and beyond maintain muscle mass, which in turn reduces fat gain.

March 2024 Legislative News

We need to continue to pushback on 3rd grade retention and now 4th grade retention. More importantly, we need to let our legislators know that we are opposed to the expansion of Governor Lee’s Education Savings Account (ESA) voucher program. This bill would take almost \$150 million out of our public school districts to pay for private school vouchers.

The following are some upcoming events you can participate in to learn more about and to protest these vouchers:

1. Plan to attend this online event Thursday March 7, at 7pm “East TN Teachers Say No to Gov. Lee’s Voucher Scam”. Register at: <https://bit.ly/easttnstopthescam>. This link can also be found on our facebook page.

2. Attend Civication Days at the Capitol

TEA will again host their annual CIVICATION opportunity for active and retired members this spring from March 5 to April 2. CIVICATION attendees will be provided with a continental breakfast each Tuesday morning at 7:45 followed by a legislative briefing at 8:00.

Attendees will next be bussed to the legislative session to possibly meet with their local state representative or senator and attend an education committee or subcommittee meeting before returning to TEA headquarters.

TEA will reimburse mileage for all attendees. Members traveling more than 50 miles away may choose to reserve a double-occupancy hotel room for an overnight stay (reservation requests are made through the TEA website).

TRTA members will receive a post card in the mail in mid-February with a “scan code” to register to attend a CIVICATION Day during one of the March or April dates.

3. Let your representatives know where you stand on vouchers. Here is a list of all their district numbers, telephone numbers, emails, and some personal addresses. Please feel free to call, email or send them US mail at: Their name, 770 Cordell Hull Bldg, Nashville, TN 37243
