I moved to Canada in 2011 & started working as a part timer in clothing store. Struggling from there, in 3 months I was promoted as Store Manager on the basis of my performance. Later I did my BBA Finance from Sheridan College & in 2016 I became a licenced Realtor. Currently I am working as a successful Realtor in Greater Toronto Area. In 2021 I received Diamond award from Remax for my top performance in Real Estate.

I am affiliated with SANA from year 2011.

I served as Vice President SANA GTA in 2018-2019 during which me along with other EB members arranged several successful events in which large number of Sindhis geathered.

The reason for contesting in SANA Election this time is to gather all Sindhis around North America under one roof. My goal will be to facilitate Sindhis in North America by providing them help in job search,proper accomodation for new immigrants,platform where they can socialize and make their own connections.

I want to see SANA stronger & more reputable organization and our Sindhi community more established and prosperous.

## Vision for SYNA

Sindhi culture defines the features of our identity and the groups we associate with, therefore it is essential that we become active members of Sindhi society which serves all. Our generation has grown up in a world which is dominated by globalization. Also, it has expanded our exposure to diverse cultures. In order to truly present who we are, we need to take responsibility to embrace the beautiful aspects of our Sindhi heritage. If we allow our language and culture to disappear, we are at the risk of losing unique connections with our community. Along with the cultural perspective and approaches in problem solving. We can not neglect it any longer, therefore I am running for this position to have yet another great start for SANA youth community.
