

ABOUT US

T5 Dispatch LLC is a key player in logistics and freight management, connecting reliable carriers with sectors like commercial, construction, and government projects. We focus on compliance, communication, and consistency. Utilizing advanced tech systems, T5 Dispatch provides clients with real-time load visibility, automated updates, and organized documentation for transparency and control over freight. With a scalable carrier network and dependable support, we ensure projects stay on schedule for timely completion.

OPERATIONAL EDGE

PAST PERFORMANCE

Ava Carriers

Active dispatch partner for regional and long-distance dry van and flatbed freight. T5 Dispatch manages load sourcing, rate negotiation, compliance monitoring, and daily communication—keeping Ava Carriers moving efficiently and in line with shipper expectations.

Tomlin Trucking

Managed regional freight dispatch for Novelis, transporting aluminum coils. Provided ongoing compliance tracking and broker communication for safe, on-time deliveries.

Mill Corporation

Supported freight movement through the Baltimore Port Authority with full-service dispatch and port-to-dock coordination. Handled load updates, carrier communication, and delivery oversight.

Napa Transport

Coordinated daily dispatch operations for retail freight on behalf of Costco. Ensured timely pickup and delivery of general commodities with full visibility and POD management.

Le Forte Logistics

Operates under T5 Dispatch's network as a box truck carrier specializing in last-mile and expedited freight services. We provide ongoing dispatch support, rapid load assignment, and broker coordination to keep deliveries timely and aligned with client expectations.
