CLASSES:

A class meets for 50 minutes two times a week. Three different types of classes are offered: Freestanding, Poolside and Aqua Stretches. Each session runs for eight weeks with a minimum two-week break between sessions. During the Winter Session a two-week break will occur over Christmas. Class size is limited by pool space. There are no make-up classes or wait lists. All classes are coed and open only to Recreation Centers of Sun City, Inc. Cardholders. No guests are allowed in the pool area during classes due to liability but they may observe except at Sundial per RCSC guidelines. REGISTRATION:

1. A current RCSC Membership Card and a current Aqua Fitness Club Card must be shown in order to enter for Registration and to register for a class.
2. General Registration is held before each Session. Our Aqua Fitness Club registration is done by lottery. This process allows everyone (who attends registration) an equal opportunity to register for a class. When you enter the auditorium you will notice that all the classes that are held on Monday/Thursday are located to the left, all the classes that are held on Tuesday/Friday are located on the right. In addition classes for our Oakmont and Marinette pools are located at the front of the auditorium but still adhering to the Monday/Thursday to the left and Tuesday/Friday to the right. In the center of the auditorium are 14 rows of tables. Each row of tables is marked with a table number and a side A or B. Choose your seat based on how you want to register making it as easy as possible to reach the class table you want to sign up for.
3. Once any meeting details have been taken care of we will begin the registration. We have a designated lottery caller who will randomly call out a table and side number. When your table and side are called get up and proceed to the class table. If there are spots available you will pick up a coordi-

nating card complete the card and turn it into the class representative along with your \$15 payment. Once you have received the card you are counted as a class member. You were counted as registering at the time you picked up the card. During registration you may sign up yourself and a member of your household at the same time. If you have brought registration information for a friend, or you want to register for a second class, you MUST WAIT until all tables and sides have been called before you can register them/yourself for a class.

4. Once registration is over you will need to wait until the first day of class to register. Our Membership chairman has a list of all openings still available after registration. You may contact her directly to find out which classes are still showing availability. On the first day of class if you are trying to register, please show up at least 30 minutes before class is scheduled to start to sign up. There is still no guarantee you will get the class, it is still first come first served.
