

NSAC Board News

The NSAC Board has set the place and dates for the Spring Board meeting. They will meet in the NSAC Office in Lily Dale, New York April 23 – 25.

The NSAC President, the Reverend Cosie Allen has named the following as the NSAC Nominating Committee:

- Eva Vega from Santa Barbara, CA
- Alejandro Castaneda from Texas
- Noelle from Rochester

As Spring unfolds around us, we are reminded that nature quietly demonstrates the very laws we teach. What appeared dormant during winter was never lifeless; it was preparing. Beneath the surface, growth was taking place.

So, it is with us. Spiritualism affirms continuous life and eternal progression. Spring offers us an opportunity to reflect on our own spiritual growth. What seeds have we planted? What attitudes have we nurtured? As the days grow lighter, we are invited to bring renewed energy to our personal unfoldment and to the work of our churches.

This season encourages gentle renewal by recommitting meditation, study, healing, service, and fellowship. Even small acts of kindness and encouragement can bring warmth to others who may still be walking through their own winter season.

Nature does not hurry its process, and neither should we. Each soul unfolds according to divine law and timing. As we move into the months ahead, may we do so with harmony, unity, and confidence in the Infinite Intelligence that guides all life.

On behalf of the NSAC Board of Directors, we wish you a spring filled with light, renewal, and continued spiritual progression.

From the NSAC Secretary

The 2026 NSAC Yearbook is ready, and each auxiliary has received a copy with this month’s mailing. Please make sure that the copy is available not only for the Board, but the membership to utilize. Additionally, the NSAC website will be updated shortly with the current information on our auxiliaries and credentialed workers. The NSAC Bookstore will also have additional copies for sale.

As we welcome the softer days of spring, I am reminded that Spiritualism is not only something we study or demonstrate, but also something we live. Spring does not force its arrival; it unfolds naturally, in perfect accordance with law.

So too does our spiritual growth.

In our churches, in our circles, and in our individual lives, we are continually invited to align ourselves with harmony, patience, and steady progres-

sion. Sometimes, growth is visible; other times it is quietly forming beneath the surface. Both are necessary.

As your Secretary, I have the privilege of witnessing the dedication and faithfulness of our churches across the country. Your work, whether large or small, sustains the light of Modern Spiritualism.

May this season renew your sense of purpose, steady your faith in the continuity of life, and remind you that each of us plays an important part in the ongoing story of our Association.

Spiritual Healing Requests

Spirit healings result from law-governed forces being put into operation following the sending forth of a thought directive (prayer).

Please set time aside each day to send healing thoughts for each of those listed below, that they may receive from Spirit, which is for their highest and best needs.

Your healing prayers are needed and benefit others in ways we may never know.

Prayer for Spiritual Healing

I ask the great unseen healing force to remove all obstructions from my mind and body and to restore me to perfect health. I ask this in all sincerity and honesty, and I will do my part.

I ask this great unseen healing force to help both present and absent ones who are in need of help and to restore them to perfect health. I put my trust in the love and power of God.

Vern, Jackie
