

NSAC Board News

The NSAC Board would like to wish all our auxiliaries, families and friends a joyous and happy holiday season. Remember to spread love, kindness, and joy to all.

From the NSAC Secretary

The new NSAC Bylaws were sent to each auxiliary as part of the NSAC Monthly Mailing. Combining the bylaws with the newsletter saved NSAC postage.

The NSAC website also has a digital copy of the bylaws which can be uploaded or printed. The NSAC Bookstore also carries the printed copy of the bylaws for \$12/copy.

This year, there were no resolutions considered or adopted by the delegates.

The Convention Reports will be removed from the website early January, so if you wish to save a copy, there is still time to download them.

This winter, the office will continue its cleaning, organizing and sorting of files beginning on the second floor of the office.

Reminders

December 31: Credential Renewals are due to the NSAC Secretary.

January 15: Last day to enter any changes for your auxiliary so they can be added to the yearbook.

March 31: Last day to nominate someone for an award: Teacher Award, Literary Award, Lifetime Service Award and Outstanding Achievement Award (forms nsac.org)

2025 Year-End Reflection

As we close 2025, the National Spiritualist Association of Churches reflects on a year of steady growth, renewed activity, and continued dedication to our shared purpose. Auxiliaries across the country reported increased participation in services, education, and community outreach, helping to strengthen the bonds of Spiritualism within their local areas.

This year's Convention brought delegates and members together in unity, reaffirming our commitment to the principles and work of the NSAC. Although no resolutions were presented or adopted, the spirit of cooperation and forward movement was strongly felt.

The NSAC office continued its efforts to improve organization and access to important materials, including the release of the updated NSAC Bylaws.

Work will continue into the winter months to ensure our archives and resources remain accurate, updated, and accessible.

We extend our gratitude to all who contributed their time, energy, and service throughout the year. May the coming year bring renewed inspiration, healing, and opportunity for all within our Spiritualist community.

Spiritual Healing Requests

Spirit healings result from law-governed forces being put into operation following the sending forth of a thought directive (prayer).

Please set time aside each day to send healing thoughts for each of those listed below, that they may receive from Spirit, which is for their highest and best needs.

Your healing prayers are needed and benefit others in ways we may never know.

Prayer for Spiritual Healing

I ask the great unseen healing force to remove all obstructions from my mind and body and to restore me to perfect health. I ask this in all sincerity and honesty, and I will do my part.

I ask this great unseen healing force to help both present and absent ones who are in need of help and to restore them to perfect health. I put my trust in the love and power of God.
