

## West Forsyth High School Equestrian Team Sponsorship

---

The success of our team relies on the support of people like you. Equestrian athletes must meet the same rigorous standards all intercollegiate athletes. They have to be not only physically fit but that fitness has to be as good as their equine partner! Team members must maintain academic excellence and be leaders and role models in their schools.

Please consider sponsoring our team by providing financial support and enjoy being a part of our success. All your donations are appreciated and are tax deductible.
