

DAP Festival Fundraiser!

Each year our sister city Pietrasanta Italy hosts the DAP Festival, one of the most prestigious international dance festivals. The River Region has for years sent students from Troy University to participate in their program of classes and performances.

This year the goal is to expand this to area dancers who have shifted from students to professionals, to help them grow in their career.

To that end, the Hilltop Howlers have agreed, through our new Montgomery Sister Cities program, to help fund raise for this cause. In conjunction with the dancers efforts, we hope to help raise enough money to send 15 Troy Alumni to the two week festival, June 25th - July 8th.

The total goal is 54,000 dollars between our efforts and the dancers, to cover the flights, room, and board for the length of the visit. You can learn more, and see all the details at mgmsistercities.org, or paypal donations to mgmsistercities@gmail.com
