About Us: Who is **YARDMAX**®?

Overview

Yardmax was established in 2015, with our headquarters located in Roselle, Illinois. Yardmax Power Equipment, Inc. is a joint venture partnership with a leading global outdoor power equipment manufacturer.

The YARDMAX Mission

Customer-centric in everything we do. We strive to advance the OPE industry by providing high-quality, innovative products at an affordable price – and supporting them with superior customer support.

Experienced

With decades of manufacturing experience, four factories, and over 2,000 employees around the globe, we are skilled in all aspects of manufacturing, quality control, and service. We don't outsource any of the supply chain, maintaining some of the highest levels of quality and durability in the outdoor power equipment industry.
