## Group guidelines

Read these five guidelines to the group as you begin the first three or four sessions.

1. Everyone shares in sentences, not paragraphs.
2. Focus only on what this passage is saying, not on other passages.
3. Focus only on what this group is seeing.
4. Give people time to respond. Silence is OK.
5. The facilitator should facilitate discussion, not teach.

## Facilitator guidelines

1. Keep the session on schedule and complete all sections, though not necessarily all questions.
2. Prepare before by studying passage, looking for main idea, and think of some examples, stories or applications from your own life.
3. Respond to questions by asking group, "What in the passage helps us answer that question?"
4. Respond to distracting comments by asking, "Where is that found in this passage?"
5. Respond to "strange" answers by asking, "Help us understand what you are thinking."
