

St. Marys Farmers' Market
Apple Pie Day Guidelines
September 26, 2026 at the Market

1. Volunteers, including Market vendors, are asked to bake one or ideally two apple pies. The first pie will be entered in the Best Apple Pie competition. The slices not used in the judging will be sold by the slice at the Market. The second pie will be entered in the pie auction. If you choose to only bake one pie, please let the Market volunteers know whether you would like it to enter the competition or the auction.
2. Pies must be submitted at the Market by 8:15 a.m. on September 26. Judging will take place at 8:30 a.m. Apple Pie slices will be available for sale at the Market starting at 8:45 a.m.
3. A live Apple Pie Auction for the three top pies will take place at 10:30 a.m. A Silent Apple Pie Auction for the remaining pies will start at 9:30 a.m. The starting bid for both auctions will be \$25. Any pies which do not sell in one of the auctions will be available to purchase for \$25 at 11:15 a.m.
4. Pies are to be baked in 9" tinfoil pie plates. Pie plates will be available from Dee, the St. Marys Farmers' Market Coordinator or Ann Slater at the Market on September 12th and 19th.
5. Please submit the form below, when you submit your pies.
6. You are encouraged to purchase apples at the Market on September 19 to use in your pies. If you are unable to purchase apples at the Market, we ask that you use Ontario apples from another source.
7. All proceeds from Apple Pie Day will be used to support the St. Marys Farmers' Market.
8. Volunteers who submit pies will receive a bag of apples on October 4, courtesy of Forest Hill Orchard.
9. The winner of the Apple Pie Competition will receive four containers of soup at the St. Marys Farmers' Market Harvest Soup Day on October 17. The second place baker will receive two containers of soup.
10. Thank you to the Apple Pie judges are Megan Brode, Dan Troyer and Diane O'Shea.
