

Dear Friend of Gove County,

We're thrilled to announce that Match Month is back for 2025 — and this is your chance to make your generosity go THREE times further to benefit our amazing community!

Thanks to the incredible support of the Dane G. Hansen Foundation and the Patterson Family Foundation, every dollar you give during November will be matched not once, but twice—turning your gift into triple the impact! Imagine what we can achieve together!

Here's why you'll want to join us this year:

### **Triple Your Impact**

Your donation will be multiplied by three — making your gift stretch farther than ever before and bringing bigger, better opportunities to Gove County.

### **Support Projects That Matter**

From revitalizing playgrounds and preserving historic landmarks, to empowering veterans and boosting education — your dollars stay local and fuel projects that lift our community.

### **Ignite Growth and Innovation**

Your generosity powers grants that spark new ideas, grow local businesses, and strengthen the connections that make Gove County feel like home.

### **Build a Lasting Legacy**

Every gift grows our endowment fund — a permanent resource that ensures Gove County thrives for generations to come.

### **Giving is Easy and Powerful**

No gift is too small — whether it's \$10 or \$1,000, your donation will be tripled, making a huge difference in our community's future.
