

Dear Friends and Neighbors of Gove County,

Saddle Up for Gove: Ride for the Gold!

Gove County has always been a place where neighbors invest in one another. As one of our valued annual donors, you have already shown your commitment to making our communities stronger, and we are incredibly grateful for your continued support of the Gove County Community Foundation.

Your generosity has helped make projects and opportunities possible throughout Gove County, including improvements to our Eldercare Facility, libraries, parks, youth programs, educational opportunities, childcare, food assistance, and many other community initiatives. These accomplishments are possible because people like you believe in giving locally.

This November, we are asking you to join us for 2026 Match Month: “Saddle Up for Gove: Ride for the Gold.” Our goal is to raise \$200,000 locally, and with the support of the Dane G. Hansen Foundation and Patterson Family Foundation, reaching that goal will unlock an additional \$200,000 in matching funds, creating a potential \$400,000 investment in Gove County.

Reaching \$200,000 will take all of us. We encourage you to consider increasing your contribution if you are able and invite others to join you. Whether it is \$25, \$100, \$500, or more, every gift brings us closer to our goal. You can also help by encouraging your business to participate, reaching out to former Gove County residents, making a gift in honor or memory of someone special, or simply sharing our Match Month message with friends and family.

There are several ways to make your Match Month gift. Look for our donation boxes at your local Gove County Businesses or donations may be mailed to the Gove County Community Foundation at PO Box 553, Quinter, KS 67752. You can also give securely online through the Foundation’s website or contact us to arrange an in-person gift. If you are interested in giving through a donor-advised fund, IRA charitable distribution, gift of grain, planned gift, or another charitable giving option, we would be happy to help you explore the best way to make your contribution.

Gove County Community Foundation

We also hope you will join us on Saturday, November 7, 2026, in Grainfield for our Dueling Pianos Match Month Kickoff. It will be an evening of music, entertainment, laughter, and community as we officially begin our campaign to reach \$200,000. Tickets are \$60 per person and will be available at Harvest Market in Grainfield, City of Grinnell in Grinnell, Cooksey Appliance in Quinter. Gather your friends and family, make a night of it, and help us kick off Match Month in true Gove County fashion.

Your gift is more than a donation. It helps build permanent charitable resources that can support Gove County for generations to come. By growing our endowment funds, we can continue providing grants and creating opportunities long after Match Month is over.

As an annual donor, you are an important part of the Foundation's story. Thank you for continuing to believe in Gove County and for helping us invest in the future of the place we are proud to call home.

Together, let's saddle up, ride for the gold, and reach \$200,000!

With gratitude,

Sheyenne Sprester
Executive Director
Gove County Community Foundation
