CONDITIONS AND SEARCH AREAS

Search areas may be of any shape, and size specified in the Regulations for each class. Searches may be indoors, on matted, carpeted, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, asphalt, and on uneven surfaces. Trial will take place rain or shine.

SITE INFORMATION

Staging Area will be out of view of search area(s). Staging area will include crating, warm-up and waiting area.

The Handler’s Briefing will take place in view of the search area prior to the start of each class, after the hide(s) have been set and after the Demo Dog has run. In the Handler’s Briefing the judge will explain if there is an off-leash option, number of hides, maximum height of hides and maximum time for the search. **NO DOGS** are to be present during the Handler’s Briefing. The briefing may be modified due to current AKC guidelines.

Warm-up area. The club shall designate a warm-up area. One labelled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well. Clubs may also place blank containers.

Possession of Odors and Training. Chapter 5, Section 35 of the Scent Work Regulations state “No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area”.

Spectators are usually encouraged at scent work trials, but may be limited or not allowed at all due to current events. Spectators will not be allowed indoors. For Detective – exterior spectating may be allowed if space permits.

Exhibitors and spectators are forbidden to discuss any details of the search with handlers who have not run. This has become a huge problem lately. **PLEASE STOP TALKING ABOUT YOUR SEARCHES!!**

Crating: You will be crating from your car. There is no shade in the parking lot, please bring your own. OCSDC will not be responsible for any lost or damaged items left at the show site. No overnight setups. There will be no overnight security.

SAFETY, BEHAVIOR and LIABILITY

The **safety of the dog** is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The Obedience Club of San Diego County, Inc and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The Obedience Club of San Diego County, Inc reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the Obedience Club of San Diego County, Inc or any official thereof.

Collars, Leashes and Harnesses. During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

All dogs must be on leash at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. The Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement.

Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

It is NOT appropriate to scout or contact anyone at the trial location prior to the trial date. Many search locations are real-life environments, and such visits may risk the host losing the opportunity to use the location in the future.

AKC Rules, Regulations, Policies and Guidelines are available at www.akc.org
