Club News March 1958

PRESIDENT'S COLUMN

At this time your officers, members of the board, Committee Chairmen and members are very busy with show detail which requires a lot of hard work, along with their untiring efforts to develop new ideas, to assure our club of a very successful show. You as an individual member should realize that all of the many hours of personal sacrifice, are spent with great satisfaction if, you, as that individual member would just attend our meetings and support our show.

Let it be remembered, that no club gives so much for so little as our club does.

At this time, your President is going to break a personal rule. That rule is not to use the word "I" in this column.

Forgive me, but I want to impress you with the necessity of you getting behind your officers to help support this show. I cannot see any reason why, with the large membership we hold, that donations could not be raised to pay the cost of our Trophies. May I make a personal request of you for a donation? Give what you can if only one dollar. Please do not leave it for the other individual member. This help you give will benefit you as long as you are a member of a club that is constantly progressing and seeking out the best in everything we undertake to do.

I plead with you to mail in your contributions today. Don't put it off. Do it now! Mail to your trophy Chairman: Christine Baldwin, 3709 Charles St., San Diego 6.

OUR BEST FRIENDS

This page, in our show catalog, is devoted to your dog. Give him or her some publicity. Your dog's name, breed and owner. The cost is one dollar per dog. Claire Sheldon will be happy to take care of this for you. CY5-9823, or see her at the training classes.

SANCTION MATCH

May 11, 1958. Del Mar, Calif. This is a very appropriate match for all members who have never shown their dog, and for those that anticipate entering our "All Breed Obedience Trials", May 25, 1958. The cost is only one dollar and you pay this at Del Mar when you attend.

Fon Johnson is the Obedience Chairman. Silver Bay will Sponsor the Breed. Let us have a good turnout.

ASSISTING COMMITTEE

We wish to extend our compliments to this new committee for the grand job done in undertaking their new duties at our Feb. meeting. The serving of refreshments by this committee made quite an impression and caused us to wonder how we ever got along without them.

ATTENTION

If you can get just one Five Dollar Ad for our Show Catalog, it would be very much appreciated. Try to get someone whom you do business with. For information, call or contact Wallace Sheldon, Advertising Chairman, CY 5-9823.

TRAINING CLASSES

We have been having a very satisfying turnout and we hope this means a large per cent of those in Training have hopes of having their Dog ready for our show. There is no reason why you could not have your Dog ready if you, the handler, would just take your work seriously enough to obey your trainer and work your dog at home. We would like to suggest that you enter your dog at the Del Mar show. The experience will be of value to you.

Re-printed from the San Diego Tribune:

BARKING SIDE, ENGLAND

If there is any justice they will rename this place, "Barking Insides," after Mrs. Elizabeth Bunhan's pet mongrel puppy.

A Veterinarian who operated on the ailing dog, removed the following objects: 3 half-pennies, 1 bone, 1 blue crayon, 1 large button, 1 set of cuff links, 1 jackstone (used by children in the game of jacks).

The puppy, named Buster, recovered.

NOTE

This issue of Club News has been rearranged so as to simplify mimeographing detail.

We extend our sincere thanks to Lenore Aufdenspring for her artistic heading which we have added to our Club News. Carl Sharratt created the idea and Lenore drew it up for him.

DON'T FORGET THE POTLUCK MEETING - 19 MARCH - 7:30
