### PRESIDENT'S COLUMN

We have arranged a very interesting program for our club meeting this month and we do hope all our members agree and realize the importance of their attendance.

Upon the conclusion of our business meeting, the chair will be honored to be given the opportunity to present to you a representative of one of the finest organizations in this state or any state. This highly respected guest will be a Calif. Highway Patrol Officer.

The subject for the evening will be "SAFETY ON THE HIGHWAY". Let us stop and think for a moment of the headlines of our newspapers, which carry the tragic stories of so many accidents that could have been avoided. After reading such articles, most of us console ourselves with the thought that we are such careful drivers that such terrible things could never happen to us. Let us strengthen that thought and gain all the knowledge we can on safe and sane driving.

Our guest will show two sound films; they will not be gruesome.

To all of our members, may we say, this subject is of great importance to you. We may add that we hope on the night of this meeting that you disregard your favorite T.V. program and attend. We have promised a good attendance and let us close with the much heard slogan, "THE LIFE YOU SAVE MAY BE YOUR OWN"

Wallace Sheldon

### TRAINER'S COLUMN

Don't forget the Sanction Obedience Match at the Del Mar Fairgrounds on Sunday, May 11. It will be a good opportunity to see what your dog will do under ring conditions. In addition to regular classes, there will be a Novice-Novice Class which means that all dogs will be permitted to work on a lead. Don't miss this chance to brush up for our show which will be held on May 25th.

Judges for our show are as follows:

Novice "A"-----Steve Brodie  
Novice "B"-----Mary Bradley  
Grad. Novice-----Virginia Miller  
Open "A"-----Scott Roberts  
Open "B"-----Nick Kay  
Utility-----Scott Roberts

We plan to start Open Classes on Thursday May 1. The beginners class will be limited to 8 dogs and will last for two months. There will also be an advanced Open Class for those whose dogs have already been trained, but need a refresher course.

Sign up as soon as possible if you wish to take advantage of these classes.

JUDGES' DINNER

This event is termed a "Judges" Dinner, however, all members are welcome to attend and enjoy dinner with our judges.

The dinner will be held at the TOWN & COUNTRY HOTEL in Mission Valley. 7:30 P.M., Sat. May 24th. Prime Rib for \$3.75 per plate and this includes Tax and Tip. This is indeed a very wonderful place to dine and the atmosphere is so restful and pleasant.

Make your reservations early by calling CY 5-9823 or HO 9-7342.

NOTICE

We want to thank all of you for your wonderful response to our request for Trophy Donations. The last report showed a total of \$235.00. Those who have not sent in their pledge please do so. Mrs. Christine Baldwin, 3709 Charles Street, San Diego 6.

REMINDER

Don't forget "OUR BEST FRIENDS PAGE" in our show catalog. The cost is only \$1.00 per dog. Advertising for our Catalog is falling very short of our goal this year. Won't you try to get just one sponser? Your advertising chairman would really appreciate it. Call CY5-9823 both items.

SHOW DETAIL

To prove your officers determination in their efforts to make this show the largest and greatest our club has ever staged, they are undertaking the task of sending our own mailing list. We have 1200 names on our compiled list. Hallie Torkildson, our Secretary, has ordered our Premium Lists from Jack Bradshaw, A.K.C. Representative for Southern California.

In addition to mailing our Premium lists, we are sending a "Flyer" to the same list of potential exhibitors. This Flyer will carry an invitational message and the feeling of personal interest in our attempt to receive their entry. This Flyer will be mailed about a week before the Premium List.

At our Board of Directors meeting this month, a suggestion was made that we send an invitation to the Naval Hospital Officer in Charge, requesting him to permit wheel-chair patients to attend our show. We would place them close to the rings and we feel certain they would enjoy the show. This suggestion met with the approval of the Board.
