PRESIDENT S COLUMN

At this time our show date is very close. Although we worked very hard, we will not have the entries we had hoped for.

After talking to Jack Bradshaw on the phone Monday the 12th for the purpose of ascertaining the amount of our entries and being notified that we had about 80 entries with the possibility of a few more, your representative felt a little relaxed upon Jack's explanation that we could hardly expect more, due to the fact that there are so many shows taking place in the Los Angeles area and under these conditions we really have to sell ourselves down here in order to attract them. We must attend those distant shows and talk up ours. Let's plan to take this more seriously next year.

To meet the above condition as explained, there remains but one alternative and that is we must concentrate on the building up of prospective entries from our own County. The following figures bring about that statement. With over 300 handlers passing through our Training Classes we will be very fortunate to receive 15 or 20 entries for our show. This we can not be proud of and we feel certain that with a sincere challenge of this condition we will solve it successfully.

WESTMINSTER, 1958

Yes, the films of this great show will be shown at our Wednesday night meeting, May 21st. This show was held at Madison Square Garden and it is something you just can't afford to miss. The film runs an hour and 35 minutes.

This is the finest documentary film of America's greatest dog show ever produced. **DON'T MISS IT.**

SHOW GUESTS

Our corresponding Secretary received a very nice letter from the U.S. Naval Hospital authorities in answer to our request for the attendance of wheel chair patients at our show. We were assured of about twenty and were thanked for our thoughtfulness.

DEL MAR SANCTION MATCH

This match was held at the Fair Grounds in the Bing Crosby building. The weather was very bad in the morning but it turned out to be a beautiful day. We had 24 entries and a very satisfying turn out.

We want to extend our thanks to George Miller who judged our Obedience. He did a grand job.

REMINDER

Those of you who have not paid your trophy fund pledges, will you please do so to Christine Baldwin 3709 Charles St., San Diego 6.

EVERYONE READS THE OBEDIENCE CLUB NEWS

When the mailman delivered the articles for the Obedience Club News to Rena Driggs for typing, her Miniature Schnauzer decided to get a sneak preview. She read it from beginning to end and ate the article on the Westminster Show Films. Jealousy, no doubt, as she wa:n't in the show-----

TRAINING CLASSES

I was very pleased to see so many training class members entered in the Obedience Match at Del Mar. Almost everyone scored well and had a lot of fun. Keep up the good work for our show on May 25th.

We are starting a new system for identification of paid up members at our training classes. Each member will wear a colored tag while in class. These tags will be issued to you before class upon presentation of your membership card. Each week the tag will be a different color. It should be worn during the class and turned in to the instructor at the end of the training period. If you will cooperate with us on this it will be appreciated very much.
