PRESIDENT'S COLUMN

Our Ninth All Breed Obedience Trials is behind us now and we all should feel a sense of pride to belong to an organization such as ours, that not only put on a very successful show, but an enjoyable one. It was most gratifying to receive so many compliments on our show and trophies, from the many out of town exhibitors. This is most interesting to us as these exhibitors will be our good will ambassadors when at home or attending their own club. Our members can be assured that this accomplishment will be achieved again next year and very possibly surpassed.

Our Judges' Dinner was as successful as our show. We had a wonderful attendance and everyone enjoyed their dinner, drinks, dancing and "doggie" talk.

An explanation is necessary for the absence of the wheel chair patients from the Naval Hospital at our show. We were promised by the proper authority that they would supply as near twenty as possible. The day before the show your representative called to determine the actual number that would attend so we could provide lunch for them. It was at this time we learned that the boys did not wish to attend. Those who promised had changed their minds. The Officer in Charge expressed his personal regrets and thanked our club for the much appreciated thoughtfulness.

CLUB MEETING 7:30 PM

Now that our show is over, let's relax by attending a fine Pot Luck Dinner, Wednesday evening June 18th. Bring your wpecial recipes, Ladies and make this one of the finest. If you bring a guest (and we hope you will) make allowance in the quantity of the dish you bring.

Movies of our show will be shown at this meeting. Thanks go to Mrs. Marge Kelly for taking them.

SHOW PHOTOGRAPHS

A wonderful group of still pictures were taken at our Show of all those who placed and received Trophies. Ruth Almsted our Show Photographer fulfilled her assignment very well. These pictures are now available and are in the hands of Wallace Sheldon. You may see them at the Club Meeting or our Training Classes. PLACE YOUR ORDER NOW.

NOTICE

Your officers and board members are constantly aware of the necessity of maintaining and creating new interest. Also we aim to keep our Club stabilized witha constant progressive program.

To assist us in the above, there will be a suggestion box available at all Club meetings and Training Classes.

Suggestions regarding a future Club Picnic, Location, Games etc. are wanted. Also ideas for Club Meeting entertainment. Suggestions of any nature will be read and given consideration. If you wish you may mail your suggestion to our Secretary Hallie Torkildson.

TRAINING CLASSES

In the absence of Fon Johnson as the regular author of this column (it seems he and Audrie had some important business in Las Vegas??), I would like to take this opportunity to express the sincere thanks and appreciation of the club for his continued loyalty and leadership in our Training Classes. He and his staff of trainers are doing a grand job.

Wallace Sheldon

WE NEED HELP

We need three or four members who can alternate evenings on the Information desk at the training class. Answer questions and accept applications from new members. If you would like to be of assistance please get in touch with the club treasurer, Carl Sharratt.

TROPHY FUND PLEDGES

Statements have been mailed to those who have not as yet paid their pledge to the trophy fund. It will be greatly appreciated by your Treasurer if these can be paid promptly so that a final account of our show can be made.
