### PRESIDENT'S COLUMN

The time and sincere devotion to uphold their promise of a progressive program is now proven to you again by the success to date of our Encinitas Obedience Class. The Class was started on Sunday Aug. 3, at 4:00P.M. and will continue for eight weeks. Fon Johnson gave his very important talk on Obedience and has agreed to Judge the Class upon completion when they compete for their Graduation Certificates.

Our Encinitas Class has sixteen enrolled and is divided into two classes. The Trainers are Curtis Finney and William Marshall. They both report progress as good as expected for the early part of their classes training.

Speaking for the entire membership, we want to thank Fon Johnson and all his trainers from the bottom of our hearts for their valuable knowledge and time they willingly give to the Club.

Escondido may be the next location given consideration for our Obedience Classes. This Training Class expansion program should be and appears to be the only way to increase our annual Show entries. We must not hesitate to make a success of any program that spells progress and prestige for our Club.

### CLUB PICNIC

Our Obedience Club Picnic will be held on Saturday September 6th, at 2:00P.M. and will continue through the evening. It will be held on the North Shores of La Jolla. You go out Torrey Pines Road to La Jolla Shores Drive, then turn left. Turn left again on Calle Frescota. This street will lead you right to the Picnic Grounds. This lawn area is called "Kelloggs Park". Bring your lunch, paper plates, etc. The Club will furnish soft drinks and beer. If you have a card table we would appreciate your bringing it along as we will probably place all the food on tables. This we shall do on the lawn. In the evening we will go down on the beach and build fires where we can roast Hot Dogs and Hamburgers. Bring whatever you wish. A little firewood if you can spare it will help keep the fires burning.

We will have a very nice time and do hope we have a very satisfying turn out for this Picnic. Mark the date down and please attend.

If you will, we would appreciate a call from you stating that you plan on attending. From this we can plan the amount of drinks to supply. Please call CY59823, HO97342  
REMEMBER SATURDAY SEPT. 6th, 2P.M.
