### PRESIDENT'S COLUMN

In this column your writer hopes to convey to all members who show their dogs, the importance of attending this month's meeting. Fon Johnson will address the members on the subject of Ring Procedure. Our Obedience showing at "Silver Bay" of our Novice Class brought unfavorable comment from Mrs. Reed, who judged. Her comment was made with sympathy and in good faith. The comments concerned the exhibitors, of which she stated were being penalized for lack of ring procedure, this was very obvious and regrettable, due to the fact some of their dogs were working very well. The Novice Exhibitor cannot be blamed for their lack of Ring knowledge as in most cases it is an unforgettable experience for them. We can assure you we do understand.

On the other hand only two words explain our Training Class ambition and these are "SHOW ENTRIES" Along with this, let your writer say how proud we are of all of you who lost points through lack of Ring knowledge. This is stated because you are proving to us, that you have "show" interest which we want to develop within our members.

However there is another important part of our Training Program, and of which our Club interest is rated very high and that is the development of better understanding between man and dog.

To those of you members who have no "show" ambitions and to those who do not complete their training, we sincerely state that we hope from what you have seen of our Club program that it has brought about this better understanding between you and your dog. (cont'd on back)

### ---CLUB MEETING---

POT LUCH DINNER  
to SEPT. 17th-7:30PM  
Cor. Highland & Landis  
East San Diego

### TRAINER'S COLUMN

Fon Johnson  
There will be no training classes on Thurs. Oct 2nd. Instead, we will hold a "Fun Match". All those who are in, or have graduated from Ring #5 are eligible. Graduation Certificates will be awarded to all those who have a passing score and trophies for the highest scores.

This is a good chance to work your dog in Ring and Show Procedure. Let's have everyone out either to participate or watch.

We also hope to have refreshments for everyone.

Keep in mind the Silver Bay Sanction Match in Del Mar on November 9th. Your Club is handling the Obedience trials and we are looking forward to a large entry. More about this later.

### ---SANCTION MATCH---

Silver Bay will put on this show Sunday, Nov. 9th. It will be held in the Bing Crosby Hall within the Del Mar Fair Grounds. Silver Bay will sponsor the Breed, Our Club, the Obedience. We will have classes in Novice-Novice, Novice, Graduate Novice, Open and Utility. Fon Johnson will be obedience Chairman. Your entries will be very much appreciated.

### "A BABY GIRL"

Congratulations to Dr. Alan Liker and Claire. Mother and Baby Darcy are doing well.

### ---ENCINITAS CLASS---

We regret a few absentees on Sept. 7th but with three more weeks we expect to have a fair amount of graduation certificates to issue.

President's Column, Cont'd

Let me remind you again that all members having "show interest" should attend this months meeting and hear Fon Johnson talk on Ring Procedure. Thank you,  
Wallace Sheldon

---CLUB PICNIC---

Our Picnic was held as scheduled in last month's Club News and we had a grand time, twenty seven adults and ten children attended. The weather was wonderful. Curtis Finney provided a Volley Ball and net. With this we had a lot of fun on the lawn. After eating our lunch, which was so good and there was plenty for everyone, we moved down to the beach where a nice fire was made. We all sat around the fire in a circle as we talked and enjoyed each others company. Radio added to the pleasant atmosphere. We were so sorry more did not come.

---WHY???

Yes, why is it that so many of you older members fail to attend monthly meetings. We miss you and want you to realize how important you are to all of us. Try a little harder, PLEASE.

---VISTA CLASS---

This Obedience Class was started Tuesday the 9th at 8:00PM and will continue for eight weeks.

We are using the "Wagn-Purr" Pet Shop parking area. This class was developed by the owners Mr. & Mrs. White. They brought this class together. We are very thankful.
