PRESIDENT'S COLUMN

I want to thank you for the honor that you have bestowed upon me. I will try to fulfill your faith in me. Thanks also for the worthy supporting Officers and Board of Directors you elected.

Looking back over the past years a great job was done by the Officers and Board of Directors. "Congratulations."

What I would like to see in the future is a greater participation of the membership in Club affairs. We need your help to carry out our programs. As I have said, we had a great year. Let's all get together and continue the trend for an even better year coming up. Con't leave everything to "George". Apathy can take over very easy if you let it.

Our meeting this month will be a Pot Luck. So fix your favorite dish and bring it along. Don't forget, guests are always welcome. After the Club business is finished there will be a session on Ring Procedure by Fon Johnson and Virginia Miller, our Vice-President and an A.K.C. Licensed Obeyance Judge. Also some movies of past shows held by the Club. So come out for an enjoyable evening.

Our "out of town" classes were concluded with the graduation of the Vista class Oct. 28th. I think they were a success and we should try again when the weather will permit in a couple of months. Much interest was created in those areas. Many have asked for another class

EDITOR'S COMMENT

It is indeed a pleasure to comment on our newly elected President and his column in this months' "Club News" By reading it carefully you will readily see why he was selected for this office. The duties of his office are numerous and unlimited sacrifices must be made to accomplish success. success of this office is achieved only by progressive action and the increasing of membership interest. His appeal to you for support of club affairs should be answered willingly, as his sincere devotion to create a better club for your admiration and pleasure, just cannot be accomplished without your interest.

DEL MAR SANCTION MATCH

This show was a tremendous success. Last year we had 19 entries and this year gave us 43. Our Training Classes are proving to be of great value to us for show material.

A check for \$350.00 was presented to Ted Brinks of the Humane Society. A very sincere thanks to all of you who helped to make this contribution possible.

PET SHOW

Our booth at this show was very neatly arranged with our Club Banner displayed. The publicity we received was very gratifying. Many questions were answered concerning our training classes. We also worked our dogs at various times to impress the public with the value of Obedience Training.

ATTENTION

Any member that receives a "leg" or outstanding recognition at any show please notify your Editor. This information will be published in the Club News if received ten days before our club meeting. Wallace Sheldon, 3545 Granada Ave. San Diego, California
