PRESIDENT'S COLUMN

No club meeting this month. In its place we will have our annual Xmas Party to be held on our regular meeting date Wednesday Dec 17.

Everyone attending the Party will bring a gift, not to exceed one dollar in value. There is a lot of fun for all in the way the gifts are exchanged. Door prizes will be given and games to play plus prizes for the winners and refreshments will be served. So everyone plan to come and have a lot of fun.

Congratulations to those in our Fun Match. Let's correct those little mistakes for the next Fun Match. Also our own show will be held in May.

Don't forget the Christman Party and come on out.

Merry Christmas and a Happy New Year
Curtis Finney

EDITOR'S COMMENT

Your writer would like very much to comment upon the sincere personal pleasure so many of our Club

members are absorbing from our Club activities. Volunteered statements have been many in the past and present that acknowledge the good received from the privilege of being a member of our Club. PRIVILEGE? Yes, a privilege is well in order if one gives thought to the existing pleasures that are available to you as a member.

Let us review some of these pleasures which have brought about personal interest and statements expressing great satisfaction in being a member of our Club. By so doing your writer has hopes of convincing you that holding a paid up card should mean a lot more than a Thursday night duty to train your dog. This indeed is an obligation, but not a duty in the sense of the word. It should be a great pleasure for you. Remember, credit for a well trained dog goes to you and not your dog. Closer relationship to our Club will develop within you when you and your dog work as a team to master Obedience Training.

No doubt you have heard many of your friends state the fact that everyone should have a Hobby of some kind. This is true and our club offers the best. This statement is made because our hobby is "Humane". We love our dogs and make many sacrifices for them. This we do with pleasure for the love they give us.

Another pleasure our members enjoy is the making of new friends and just meeting a lot of wonderful people. All dog lovers are just such people.
