

Why are we transitioning?

We have heard the pain points of DocuSign and KW is responding with a solution to improve the experience for both agents. Lone Wolf Transact offers the broadest forms coverage in North America and their system offers 24/7/365 support.

Why Lone Wolf Transact?

Lone Wolf has many advanced integrations, including linking to the MLS to auto-populate property information, co-broke agent information, and public records data.

Is there an additional cost for Lone Wolf Transact?

No, there is no additional cost for Lone Wolf Transact.

When will this transition take place?

Classes will begin in May 2026 with a full transition by June 15th 2026. You will receive an invitation for your specific training class. Be on the lookout for an invitation in your email!

Can I still use DocuSign?

Yes, you can enroll in your own subscription. However, documents will need to be manually updated into Command for Compliance File Review

When will we lose access to DocuSign?

Access to your Market Center DocuSign account will end on July 14th at 11:59pm.
