

Dance Expressions

Thank You!

Congratulations to all our dancers on another incredibly successful recital! It took us some time, but we are all so glad we got to celebrate our "Fantastic 15th" recital! If your child has a silver mask from the finale - please keep it! We are unsure yet how our "Sweet 16th" recital will look in June, and we would like all dancers to keep their masks so we can reuse them. If you are new to our studio - welcome! We are very excited to have you here and dancing with us safely.

updates:

We are going to work diligently to keep our website up to date so all of our dance families can stay informed on all the upcoming dates and events at our studio. Please keep an eye out for information regarding DRESS CODE. We are not requiring students to change between classes due to our current COVID protocols, but we would still like our students to be in dance attire when they come to class - no street clothes or loose t-shirts in ballet classes. We have photos and information that will be up on our website soon!

Friendly reminders: Please send water bottles with your dancer as our water fountain and vending machines are currently still closed. We are still continuing to dance with masks on please make sure your dancer has a mask on when they enter the building and while they are in class. Thank you for your understanding and patience as we all continue to tackle the COVID-19 pandemic. We are very grateful for all of our dance families as we work to keep each other safe!

If you have any questions please feel free to give us a call or stop into the front desk!

We invite all of our dance families to follow us on [Facebook](#) and [Instagram](#) for photos, additional updates and more!
