ALL PERFORMANCES ARE MANDATORY. Students missing 2 or more required performances per semester will fail the performance components as stated in the Course of Study and therefore may fail the course. Courses of Study for all 5 choirs are available on request.

***If a student misses a mandatory performance for any reason, the singer will be required to write a lengthy essay on a musical subject of his/her choosing or topic determined by the instructor. An appropriate due date will be determined by the director. If the singer is in more than one choir, he/she may be required to write more than one essay. The student's grade in the class may be affected when missing a mandatory performance even after completing the written assignment. The grade will be determined by the reason for the missed performance and how much advanced notice was given to the director.
