

ISRAEL NEGEV  
DESERT EXTRA  
VIRGIN OLIVE OIL

# Remember and bless the Negev Desert, which is being restored as we prepare for the second coming of Jesus Christ!

Did you know that most of the deserts mentioned in the Bible  
are actually the Negev Desert in Israel?

The Negev Desert, which covers more than half of Israel and is located in the southeast, may appear barren on the surface, but it is actually the most important land aiding Israel's restoration.

Jews from the diaspora around the world are returning to their homeland, Israel, cultivating the land and making it their home, beginning the journey of waiting for the day when Jesus Christ will return.

Remember the precious treasure produced directly from the Negev Desert, the **top 1% premium extra virgin olive oil**. Every time you enjoy it, a green tree is planted, helping the restoration of Israel!

**Let's Make Negev Green!**

Remember that at that time you were separate from Christ, excluded from citizenship in Israel and foreigners to the covenants of the promise, without hope and without God in the world. But now in Christ Jesus, you who once were far away have been brought near by the blood of Christ. For he himself is our peace, who has made the two groups one and has destroyed the barrier, the dividing wall of hostility

Ephesians 2:14-16
