

Juniors Rules

1. All squads to be a maximum of 12 players
2. All squads to conform to the club rulings as stated within these rules
3. Pitches are to be set up and ready at least 30 minutes before kickoff which then leaves you as a manager and team time for a warmup/team talk time ready for a prompt start.
4. Manager's who are first kick off are to collect the goals, respect barrier, first aid kit, 4 corner flag poles, respect sign and in the absence of a referee the match ball from the container within the compound if it has not been set up already. If a referee is present, he will collect and return the match ball. **Manager's who are last kick off must pack all equipment and return to the storage area.** NOTE: Goal bags are to be carried and not dragged as this will prevent damage to the equipment.
5. All matches must start on time to prevent late starts for the teams that follow.
6. If all players are present for kick off and all equipment is set up, then the match should start on time, If this is not the case, the match time must be reduced for the following matches to kick off on time.
7. Once the match is finished all teams must clear the pitch immediately for the teams following to start their match on time.
8. Please ensure any litter left by your teams/parents is cleared and disposed of appropriately and not left pitch side. Any litter left will be subject to a fine from the council which effectively will be passed on to the teams concerned.
9. Matches are to be 25minutes each half with a 5-minute half time break unless otherwise stated.
10. Each team can field a maximum of 9 players at one time, one being a goalkeeper.
11. A team can play with a minimum of 6 players. If agreed beforehand with the opposition manager, the number of players playing in each team can be reduced to even out the deficit. This would only happen if a team were short on players. If a manager knows that their team will have less than 6 players available, then it can be postponed 24hrs before kickoff.
12. There will be no loans and no player may play until the League Secretary tells the League Rep that they are registered.
13. The lowest number each team may play with is 6 players.
14. A match can be cancelled up to 24 hours before kickoff time, but after this time the game is forfeited, and the opposing team is awarded the win with a 1-0 win.
15. Should a game be cancelled or postponed or rescheduled with 24 hours notice your fixture will be brought forward accordingly.
16. Subs can be made on a roll-on roll off basis when the ball is out of play, informing the referee on each occasion.
17. Every player must be guaranteed at least half a match per week.
18. Kick off from the centre circle. The ball can be passed either forward or backwards. The player taking the kick off cannot shoot directly from a kick off. The ball must be passed to another player first. .
19. Goal keepers cannot pick up a back pass, this will result in an indirect freekick from where the GK touched it.
20. Goal kick. A player of the team in possession (The attacking team) kicks the ball from any point within the penalty area. The opponents (The defending team) must retreat to their own half until the ball is in play. The attacking team can position themselves anywhere within the field of play. The attacking team do not have to wait for the opposition to retreat and have the option to restart the game before should they choose to. The defending team may only cross the halfway line when the ball is in play. The ball is deemed to be in play once the ball has cleared the attacking team's penalty area. Should the defending team encroach prior to the ball clearing the penalty area then the kick will be retaken.
21. If a child makes a foul throw in twice the throw will then be awarded to the other team.

An attacker less than 1 m (1yd) from the wall when the kick is taken will be penalised with an indirect kick. When the defending team takes a free kick in their own penalty area the ball is in play once the kick is taken; it does not have to leave the penalty area before it can be played.
23. Every opposing player must be 4m from all free kicks/corner kicks.
24. Deliberate handball remains an offence. The following handball situations even if accidental will be a free kick.

 - The ball touches a player's hand/arm which has made their body unnaturally bigger.
 - The ball touches a player's hand/arm when it is above their shoulder (unless the player has deliberately played the ball which then touches their hand/arm).

 - The ball touches a player's hand/arm which is close to their body and has not made their body any bigger.

The goalkeeper must not be touching the goalposts/crossbars/nets. The goalkeeper must have at least part of one foot on/in line with the goal line when the kick is taken.

If tied then it will come down to goal difference, Head-to-head and then goals scored.
