

Welcome to the Association of Baptist for Scouting's Duty to God Booth

Each group (2-6 scouts) should take a clip board and pencil. Put your group name and number in your group at the top of your blank sheet. Take turns writing question number and your group's answers on the paper. Use the QR code to open the question sheet on your phone. The answers can be found on the posters around the Baptist booth. Ask one of our staff members if you have a question.

When you finish with the questions, place the questions sheet and answer sheet in the baskets on the table by the entrance. Then, ask a staff member to help you get started on making your bracelet. Finally, see a staff member to receive your 2026 Baptist Patch and New Testament.

Prayer Area

Find the prayer area. Read through types of prayers. Baptists believe that prayer is the way we communicate with God. We believe that God speaks to us in our quiet times of worship and in our life experiences. We believe God wants us to encourage and pray for each other. We believe He hears our prayers.

Do you have a concern or thanksgiving you would like to share with us? Write your prayer on the paper provided at the table. Place it in the prayer box. (You may write more than one.) It is your choice to sign your name on the prayer/s.

At the end of our day, the staff will have a time of prayer. We would like to pray for any needs that you have.

Our prayer for you is that you may discover and grow in your spiritual life and make your duty to God an important focus throughout your life.
