All patterns for Snuggled In Hope are just ideas. You can make them your own designs. We ask that you make the finished top at least 55" x 65" and no bigger than 65" x 75". You can add borders to reach the needed size. Remember all the borders don't have to be the same size or even on all four sides. Quilt tops will lose about 3% of their size once they are quilted and washed. Each quilt going to camp is washed before delivered. There are absolutely no quilt police! Please be creative These quilts are for kids who will love them no matter what.

NOTE: If you picked up one of the already prepared kits, please know we did our best to see that everything was correct. However, we may have missed something. You may sub something you have on hand or simply return the kit for a new one.
