

PILLOWCASE PATTERN

Also known as: 14 hour/300-mile pillowcase pattern-Acquired on a day long quilt Shop Hop.

By Barb Exley, Valley Quilt Guild, New Philadelphia, Ohio

Fabric required:

- $\frac{3}{4}$ yd (27" X 42") theme fabric
 - 11"X WOF (width of fabric) strip for cuff edge of pillowcase
 - 2" X WOF strip for trim
1. Place 11" strip right side up on table
 2. Fold 2" strip in half (wrong sides together) to form strip 1" X WOF

Place raw edge to raw edge of 11" strip

3. Place 27" width right side down against 11" strip and 1" strip. Pin all raw edges together along WOF. (Fabric with one-way design should be joined with bottom pinned to cuff)
4. Roll up lower edge of 27" fabric until bottom edge of 11" fabric is visible. Pick up this edge (11" fabric) and bring right side up to the top edge of pinned fabrics (forming a tube). Re-pin entire width of fabric layers together and stitch with a $\frac{1}{4}$ " seam.
5. Reach inside the tube and pull right side out.
6. Trim sides evenly and place right sides together and stitch (or serge) side seams and top of seam of pillowcase.
