Walker bag/tote instructions

Materials needed:

- Two pieces of washable fabric each 14 ½ " X 24"
- approx. 14" of Velcro

Instructions: see illustration

1. place the 14 1/2 " X 24" fabrics right sides together and stitch a 3/8" seam all around, leaving an opening to turn approx. 4"
2. clip corners, turn and press
3. Top stitch close to the pressed edge all around making sure to catch seam opening
4. To make the casing that will attach the bag to the top bar of the walker;
 - a. Stitch one side of Velcro (loop end)to the short edge of the fabric piece
 - b. Measure 6" from the same edge and draw a line the width of the piece- this is your placement line to sew the second strip of Velcro- (fuzzy side of Velcro)
5. To make the pocket:
 - a. with velcro side of fabric face down
 - b. fold the opposite end up 7"
 - c. stitch pocket sides in place – securing top edge with extra backstitching
 - d. Turn the large pocket into two smaller ones – stitch a vertical line

Sew on your label & you are finished! Thank you!
