

Valley Quilt Guild – Veterans lap quilt project 8/2014

We need your help to make 150 lap quilts for local veterans who reside in nursing homes. The quilts will be hand delivered to the veterans by our local Veteran's Services director, Debbie Cook. Both lap quilts for vets in wheelchairs and throws for those who are not in a wheelchair can be used.

- Quilts can be tied or quilted
- Must be machine washable
- Suggested size for Lap/ wheelchair quilt 32" X 39"
- Throw size quilts for those not in wheelchairs are larger than a lap quilt- any size
- Our theme is Patriotic, so let's bring out the red, white and blue fabric!!
- Return your completed quilts to Jane Gingrich at our regular Quilt Guild meeting (call Jane with any questions 330-343-5617)

Thank you!

- You can include a pocket (shown left) if you wish , but not required
- One pocket is a through pocket to keep hands warm and the second pocket is for things the veteran would like to keep handy (Kleenex). Both pockets are lined.
