CHRIST EMBRACING ST. BERNARD BY FRANCISCO RIBALTA/WIKIPEDIA

Dear Padre,

Why do we ask the saints to intercede for us with God?

In Job 42:8, the Lord encourages Job's friends to seek his intercession on their behalf. Then in 1 Thessalonians 5:25, St. Paul asks Church members

in Thessalonica to pray for him and his missionary companions: "Brothers, pray for us." In neither the New nor Old Testament is there a concern that it might be inappropriate to ask living members of one's faith community for support in prayer before God.

Therefore, if we believe the saints are "living" members of our community, why would we not ask for their prayerful support just as we do the flesh-and-blood members of the community we can see and touch?

Christ is the one true mediator between God and humans, but Christ calls us into a community of faith. Prayer with the saints celebrates and builds this community that God delights in

working through and in. To ignore the saints is to deprive ourselves of gifts that God freely chooses to give.

We hope to be in communion with the saints forever. At this time, we strengthen our fellowship with them through prayer.

A Word from Pope Francis

I encourage you always to have prophetic courage in rejecting everything that demeans human beings, and all forms of exploitation that degrades them. Continue to show those signs of hospitality and solidarity, great and small, which can light up the lives of children and old people, migrants and refugees, in search of peace.

I HAVE COME TO SET THE EARTH ON FIRE, AND HOW I WISH

it were already blazing!

— Luke 12:49

LISTEN TO JESUS AND THE PROPHETS

Prophets have always had a tough row to hoe. Their words, often unwelcome, are used against them to persecute and even kill them. Such was the fate of the Old Testament prophets, and Jeremiah is a great example of this. Jesus endured opposition from sinners, and did not turn back from a shameful death in order to rise to a glorious new life. The ultimate prophet, Jesus sought to warn the people of his time and ours of the divisions that his words would cause, showing himself to be the prophet of all time. We all need to look at our divisions and dilemmas in light of Jesus teachings and warnings, and seek to understand all that he has proclaimed and taught about what will happen if we fail to listen. ESCUCHA A JESÚS Y A LOS PROFETAS

Los profetas siempre han tenido un hueso muy duro que roer. Sus palabras, a menudo poco deseadas ser escuchadas, se usan en contra de ellos para perseguirlos y aún para matarlos. Ese fue el destino de muchos profetas del Antiguo Testamento, y Jeremías es uno de esos grandes ejemplos. Jesús trato con pecadores y aceptó su muerte y luego resucitó a una vida gloriosa. El último profeta, Jesús buscó prevenir a las personas de su tiempo y del nuestro de las divisiones que sus palabras causarían, mostrándose él mismo ser el profeta de todo el tiempo. Todos necesitamos ver a nuestras divisiones y dilemas a la luz de las enseñanzas y advertencias, y buscar comprender todo lo que él proclamó y enseñó de las cosas que pasarían si no lo escuchamos.
