

Electricity and Gas Rates are going up...

Why pay more than you have to?

National 1 Energy offers a wide range of suppliers, competitively priced fixed or variable rate products

Why Choose National 1 Energy?

PRICE PROTECTION AND RATE SECURITY

- No bandwidth restrictions available
- Secure rates that won't change even if usage spikes at certain times of the day or seasons.
- Most contracts have no monthly meter fees or minimum or maximum usage limits.

GREAT CHOICE OF PRODUCTS

- Fixed rate products that include 100% of energy cost components including transmission, line losses, capacity and other ancillary service charges.
- Variable indexed priced products based on regional and national key price drivers.

FLEXIBLE TERM LENGTHS

- Most products are available in terms as short as 3 months or as long as 180 months to ensure maximum price protection and service flexibility.

Long Term Price Protection and Savings plus access to wholesale rather than retail pricing.

Free, no obligation, independent analysis and advice regarding your electricity contract options.

Ranked among the largest and most trusted independent retail electricity brokers in the US.
