**DOG FIGHT**

**Feb. 20 – Mar. 1**  
Parish Theatre

On the eve of the Vietnam War, a young soldier learns the power of compassion when he plays a cruel joke on an unsuspecting girl. Dogfight by Benji Pasek and Justin Paul (Dear Evan Hansen, The Greatest Showman, and La La Land) and Peter Duchan, is a love story about how the choices we make define who we become.

**Angels in America**

**March 13 – 22**  
Civic Auditorium

Tony Kushner's groundbreaking Angels in America is a profound exploration of love, identity, and politics set against the backdrop of the 1980s AIDS epidemic. Still poignant today, Angels in America reflects on how politics can directly and indirectly impact individuals, families, and communities forever.
